Political Announcements

FOR ASSESSOR

I hereby announce myself a candidate for the office of Assessor of Malheur County, subject to the will of the Republican voters at the primary election to be held May 21st 1920.

Ever conscious of the great responsibility the office carries, I promise, if nominated and elected, to give my best thought and energy to a careful study of the relative property valuation and without fear or favor to so place the same on the tax roll that in my judgment all will bear alike their just and equitable burden of taxation.

I. R. QUENBURY

FOR ASSESSOR.

I hereby announce myself as a candidate for assessor on the Republican ticket. Being a resident of Malheur county for 14 years and a taxpayer, I consider the office of assessor one of the important offices of the county.

If elected as your assessor it will be my endeavor to place conservative values upon taxable property of the county, so apportioned that each class of property will pay its just proportion of the taxes.

I have no radical notions relative to assessment or the performance of the duties of the office, but believe the work of the office should be done on a business basis, having in mind economy and fairness to all classes.

Yours very truly,

H. L. POORMAN.

A fair, conservative valuation of all classes of property.

POLITICAL ANNOUNCEMENT.

Subject to the result of the Primary election to be held, May 21st, 1920, I hereby announce my candidacy for the Republican Nomination for State Senator from the Twenty-second Senatorial District composed of Grant, Harney and Malheur Counties, State of Oregon.

If nominated and elected I will, during my term of office, endeavor to act with prudence and care in the discharge of my duties, without fear or favor and for the greatest good to the greatest number.

CHARLES M. CRANDALL,
Vale, Oregon.

FOR COUNTY TREASURER

I hereby announce myself as a candidate for the Republican nomination for the office of County Treasurer, subject to the Primaries on May 21. If elected I pledge myself to the same careful attention to the duties of the office that I have given during the past two years.

C. C. MUELLER.

FOR COUNTY ASSESSOR

After serving one term as Assessor of Malheur County, during which time I have attended to the duties of the office to the best of my ability, I submit my candidacy for re-election to the approval of the people, subject to the Democratic Primaries May 21, 1920.

R. M. CARLILE.

FOR DISTRICT ATTORNEY.

I announce myself as a candidate for the nomination for the office of District Attorney for Malheur county at the Republican primaries to be held on May 21, 1920. If I am nominated and elected, I will devote all of the time and attention necessary to the proper performance of all the duties of the office.

Signed,
ROBT. D. LYTLE.

FOR COUNTY CLERK

I hereby announce myself a candidate for the office of County Clerk of Malheur County, Oregon, subject to the will of the Republican voters at the Primaries on May 21, 1920. If nominated and elected, I promise to devote all of my time and attention to the proper conduct of the affairs of the office.

HARRY S. SACKETT.

FOR COUNTY SUPERINTENDENT

I hereby announce myself a candidate for the office of County School Superintendent of Schools of Malheur County, Oregon, subject to the will of the Republican voters at the Primaries to be held May 21, 1920. If nominated and elected I will devote all my time and energy to the advancement of the schools of the county.

MRS. EFFIE M. CRAIL.

FOR JOINT SENATOR.

I seek the Republican nomination for joint senator for the Twenty-second Senatorial District at the coming primaries.

If nominated and elected I promise to the District an honest service and will take my oath of office unpledged to any person or interest.

I am a liberal and not a reactionary or a radical; and especially so as to public expenditures. Economy should mean thriftiness. Public expenditures demand a reasonable promise of material and social benefit. Irrigation and drainage under special assessments; good roads; protection of grazing lands and the public range for the good of the livestock interest as a whole; betterment of mail service; improvement of facilities of branch line railroads are among the important local needs. Roads and postal service in the country districts are the only visible returns from taxation, and the burden of taxation should be fairly equalized through these means.

On the foregoing statement I ask the support of the Republican voters.

CHARLES W. ELLIS, Burns, Ore.

FOR COUNTY SURVEYOR

Subject to the Democratic primaries on May 21, I hereby announce my candidacy for the nomination for the office of County Surveyor.

H. TAMBLYN...

FOR SHERIFF.

I hereby announce myself a candidate for the second term as Sheriff of Malheur County, Oregon, subject to the will of the Democratic voters at the Primaries to be held May 21, 1920.

H. LEE NOE.

FOR STATE SENATOR

I hereby announce myself as a candidate for the Republican nomination for the office of State Senator of the district comprised of Malheur, Harney and Grant counties. If I am nominated and elected for a second term I will continue to serve this district and the State of Oregon to the best of my ability.

Build a Home For Your Car

The blue prints, specifications and list of building materials for the garage shown above will be supplied free of charge at the Boise Payette Lumber Company's yard.

The plan includes all the conveniences of the modern garage and is designed so as to make the most economical use of lumber and building materials.

Size 14x20

The floor space provided is ample for the largest cars with a generous allowance for work bench, tools stored, paraphernalia and unhampered accessibility.

It is permanently substantial, built on a concrete foundation and roofed with shingles. The windowed side door adds to the light and convenience of entrance.

This plan may be altered to conform to your desires. Let us discuss and decide with you on the best home for your car.

The 1920 DeLaval is a Bigger and Better Separator

The old DeLaval has paid for itself many times in the last seventeen years, and the new machine skims cleaner and quicker.

Conditions have changed greatly during the last few years. Butter fat and other dairy products bring twice as much as they did five years ago; while the DeLaval has only advanced 50 per cent, due in part to improvements, and increased capacity, so that the actual advance on DeLaval is slight compared with other commodities.
